ROSARIES IN MAY

May is the Month of Mary our Holy Mother and prayers for life. The Saint Rose Knights of Columbus will host a Rosary for Life after the 6:00 pm Mass each Wednesday in May. All members of the parish are welcome and encouraged to participate by joining us in the Narthex. Our Holy Father Pope Francis encourages us to rediscover the beauty of praying the Rosary in the month of May for life.

VI Domingo de Pascua

Moving forward
As a part of the parish facilities master plan (www.saintrose.org/master-plan) produced by the strategic planning committee, initial recommendations include restoring the Marian Center and selling the old rectory on Maymont Drive. These are both located at the southwest corner of the parish property, behind the church. The parish is moving forward on both of these recommendations, and I want to report to you on that progress.

First, the Marian Center: plans are being developed to restore this structure that was originally built as the convent for the school sisters back in the 1950's. It has passed through many uses since then and now is mainly used for storage and by the Boy Scouts. The architect and planners involved in the master plan project considered the building to be underutilized and worthy of renovation and repurposing. Plans are being made to accommodate more storage elsewhere so that the Marian Center can become the center for the outreach ministries of the parish, especially the food pantry, backpack ministry, and Bridge.

The old rectory has most recently been used by the Office of Catechesis as office space and as meeting space for youth activities, but both of these functions were at a distance from the core areas of the parish. They have been relocated to more central locations, leaving the old rectory largely vacant. At the same time, the diocese has been giving consideration to replacing the house on Middle Tennessee Blvd. that is owned by the diocese and serves as a center for University Catholic at MTSU. At the initiative of the current student leadership, the diocese is in the process of buying the old rectory for the use of University Catholic at MTSU. Student, parish, and diocesan leadership are in agreement that this will serve the ministry, the parish, and the diocese well. For my part, I agree. The diocese proposes to sell the old student center in due course.

Finally, one more definite and official piece of information about the transition to a new pastor for Saint Rose. New clergy assignments will be announced by the diocese on Friday, May 27. I will keep you posted!

Faithfully,
Fr. Baker

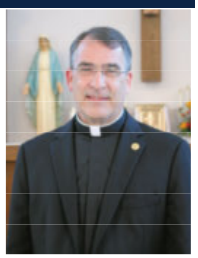
Avanzando



Como parte del plan maestro de las instalaciones parroquiales (www.saintrose.org/master-plan) elaborado por el comité de planificación estratégica, las recomendaciones iniciales incluyen la restauración del Centro Mariano y la venta de la antigua rectoría en Maymont Drive. Ambos están ubicados en la esquina suroeste de la propiedad parroquial, detrás de la iglesia. La parroquia está avanzando en ambas recomendaciones, y quiero informarles sobre ese progreso.

Primero, el Centro Mariano: se están desarrollando planes para restaurar esta estructura que fue construida originalmente como el convento para las hermanas de la escuela en la década de 1950. Ha pasado por muchos usos desde entonces y ahora se usa principalmente para almacenamiento y por los Boy Scouts. El arquitecto y los planificadores involucrados en el proyecto del plan maestro consideraron que el edificio estaba infrautilizado y digno de renovación y reutilización. Se están haciendo planes para acomodar más almacenamiento en otros lugares para que el Centro Mariano pueda convertirse en el centro de los ministerios de extensión de la parroquia, especialmente la despensa de alimentos, el ministerio de mochilas y Bridge (Puente).

La antigua rectoría ha sido utilizada más recientemente por la Oficina de Catequesis como espacio de oficina y como espacio de reunión para actividades juveniles, pero ambas funciones estaban alejadas de las áreas centrales de la parroquia. Han sido reubicados en lugares más céntricos, dejando la antigua rectoría en gran parte desocupada. Al mismo tiempo, la diócesis ha estado considerando reemplazar la casa en Middle Tennessee Blvd. que es propiedad de la diócesis y sirve como centro para la Universidad Católica en MTSU. Por iniciativa de la dirigencia estudiantil actual, la diócesis está en proceso de comprar la antigua rectoría para uso de la Universidad Católica en MTSU. Los líderes estudiantiles, parroquiales y diocesanos están de acuerdo en que esto será de gran utilidad para el ministerio, la parroquia y la diócesis. Por mi parte, estoy de acuerdo. La diócesis propone vender el antiguo centro de estudiantes a su debido tiempo.

Finalmente, una información más definitiva y oficial sobre la transición a un nuevo párroco para Santa Rosa. La diócesis anunciará las nuevas asignaciones de clérigos el viernes 27 de mayo. ¡Los mantendré informados!

Fielmente,
El Padre Baker

Who can join the choirs at St. Rose? Anyone, grades 2 and up!

Do I need to be able to read music? Of course it helps, but absolutely not! We'll learn about music literacy in Children's and Youth Choirs, and the Adult Choir will be supplemented by our Choral Scholars, the college interns who have been singing at the 8:30 and 11:00 Masses for the last several weeks.

I can't come every week - can I still join? Yes! For this Spring we only are focusing on music for 2 Masses, so even if you can only make one rehearsal you'll be prepared. Starting this fall we'll work 4-6 weeks ahead each week, so the busy volunteer can still participate even when life keeps you away from rehearsal.

Why should I enroll my child in the Children's/Youth Choir? There are so many benefits to ensemble music -making in the Church! Academically, making music fires neurons in the brain that have been proven to help development of all intelligences. Socially, your child will interact with a group of students who simultaneously share similar interests but also come from all backgrounds. Personally, students will learn responsibility and accountability to the team, developing leadership skills as they actively lead the liturgy during Mass. Spiritually, choir members will develop a greater appreciation for many of the 'whys' in the Church, actively living the traditions that shape our faith.

Why should I join the Adult Choir? See all the reasons above for the younger folks - they apply to us more seasoned church-goers as well! In addition, adults need to lead the young people by example - showing the children and youth the importance of this worthwhile ministry!
