

For a child who has been baptized but did not receive First Reconciliation or First Communion in 2nd grade, their path of preparation will be:

- 1) If the child is in 3rd grade, they should be registered for 2nd grade and make a note in the comments that this child is in 3rd grade but has not received the Sacraments. They will be in the 2nd grade class and receive their Sacraments in the Spring when they have completed the preparation.
- 2) If a child is in 4th - 6th grade, they should register for Primary Delayed Sacraments and make a note in the comments about what grade they are in and that they have not yet received the Sacraments. They will receive their Sacraments in the Spring when they have completed the preparation.
- 3) If a child is in 7th grade, they should register for Yr1 Confirmation and indicate in the registration which Sacraments they have not received. They will receive them at the same time they receive Confirmation at the end of their 2 year preparation.
- 4) If a child is in 8th grade, they will need to wait and enroll in the Delayed High School Sacraments (a two year program) when they are going into 9th grade. Once they have completed their preparation, they will receive the Sacraments all at the same time at their Confirmation.

For a child who is not baptized, their path of preparation will be:
